In Loving Memory of Niellie Rosenman Hasson

November 14, 1941 – June 6, 2025

Niellie Rosenman Hasson left our earthly realm peacefully on June 6, 2025, in Fairfax, Virginia, surrounded by her closest family and those who adored her most. She was born in Haifa, Israel, on November 14, 1941, before eventually immigrating to America, where she built and lived a life marked by courage, culture, and deep conviction.

A lover of classical music, her piano, animals, aquatic aerobics, and the occasional treasure found on JTV, Niellie filled her days with both curiosity and tenacity—always reaching for more. She gave others permission to speak their minds freely and the inspiration to never give up. She met every chapter of life by rising to the occasion while also noticing the art of it all.

Niellie leaves behind a legacy steeped in reverence and Jewish tradition. She reminded those around her that sovereignty requires bravery—and she lived by that truth every day.

She is survived by her beloved son Rob and daughter-in-law Kelly, her older sister Ruth, three grandchildren Britt, Frank, and Shelby who loved her

fiercely, and her cherished tuxedo cat Lizzy.

In lieu of flowers or gifts, donations can be made to her favorite charity:
Mended Hearts Chapter 200 of Northern Virginia.

May her memory be a blessing and a call to live boldly.
