“ Roslyn and I were friends and roommates at the University of Wisconsin Madison. After graduation we moved to San Francisco looking for work, adventure and a change from the Midwest. We visited Europe together, spending 6 weeks traveling by train, experiencing all kinds of adventures along the way. I remember Roslyn as friendly and warm with a contagious laugh. I will miss our conversations by phone, catching up with news of family, especially grandchildren.

*Joel and I send our sincere condolences to Roslyn's husband Bruce and all of her family.*
