

Serenity Wang

August 28, 2008 - August 27, 2025

Serenity Wang was just shy of 17 years old when she tragically left us on August 27th, 2025.

The loving daughter of Eicelynne Williams and Bo Wang, Serenity was a bright and active girl who was growing into the vibrant young woman her family and friends knew her to be. She will be remembered for her creativity, her sharp sense of humor, her fierce will, and her strong sense of self. She touched the lives of everyone she knew, giving us all a permanent reminder that happiness can be found from within when one stays true to who they really are and never gives up. She was a daughter, a granddaughter, a big sister, a niece, and a friend.

Serenity is survived by younger siblings Sage and Aubrey Alfonso, grandmother Jennifer Claus, stepfather Patrick Banks, and a host of other family and friends who will never forget the impact she had on their lives and their hearts.
