“ I first met Steve on November 25, 2025 in a zoom meeting. It was the first time he attended our NonViolent Communication practice group. Since then, he attended only 3 of our meetings , and in that short time, It was evident he was a skilled listener and thoughtful speaker, skills that we practice in this bimonthly meeting. I am so sad to hear of his passing, as I will miss his beautiful ability to be present, and his natural ability to provide empathy. He was a living role model of how to connect to ourselves and each other. Having just met him only a few times, I am so sad for his friends and family, and my heart is heavy with his loss.

“ Jewish Community was very important to Steven. We both worked at the Federal Reserve Board where Steven was the driving force behind organizing a Jewish heritage employee resource group. The group became official only months before October 7 and during that time, Steven suggested that serve as a safe space for members to share their grief and concern and it became a meaningful source of support for It's members. Working with Steven on the committee became a real source of community for me. I am truly saddened by his loss. May his Memory be a Blessing.

“ *Steven welcomed me as non-Jewish ally to Jewish Heritage Employee group at the Board. I was allowed a glimpse of his warmth and passion for his Faith and Community. My prayers for his family, friends and community! Lori Barry*
